

## **OPTins 4.19 Release Notes**

OPTins 4.18 was released to production on Thursday, June 25, 2015. The release contained the following enhancements:

### **Enhancements in OPTins 4.19**

#### **Clarification of wording for industry filers submitting a payment**

This is an effort to clear any confusion an industry filer may have in regards to the amount of money that will be withdrawn from their bank account.

#### **Minor bug fixes**

As with every release, please be sure to check out Online Help for additional information and instructions related to the above noted enhancements.

Please contact the OPTins Help Desk at [optinshelp@naic.org](mailto:optinshelp@naic.org) or (816) 783-8990 if you have any questions about the release of OPTins 4.19.
